

Statement of intent

Agreement on International Responsible Investment in the Insurance Sector

[ORGANISATION]

- declares that it has read and understood the Agreement on International Responsible Investment in the Insurance Sector of 5 July 2018;
- supports the spirit and objectives of the Agreement;
- recognises the value and the importance of having an ESG code of practice for investments in accordance with the processes and principles of the OECD Guidelines for Multinational Enterprises and the UN Guiding Principles on Business and Human Rights, which apply to its business activities;
- will attempt to act where possible in accordance with the objectives and undertakings agreed in the aforementioned Agreement and will be receptive to commitment, cooperation and knowledge-sharing during the implementation of the Agreement;
- is willing to commit itself to help to increase the impact of the Agreement on international organisations such as European institutions, Insurance Europe, the OECD and the UN;
- is willing – whether or not requested to do so – to publicly state its support for the Agreement;
- is willing to inform stakeholders, within its existing reports, of initiatives and activities undertaken in this connection.
